- Domain Names are like this: `BE174D##`   (## is 1 to 12)
- Machine Names are like this: `BE174NTSER##`   (## is 1 to 24)
- You will be assigned an Novell User ID for the term. The user ID will be in the range NT1 thru NT60.   My ID is `NT`____
- If you want to save work between lab sessions, you will be responsible for copying it up to the network.   Assignment 3 will use some stuff from assignment 2.
